This is the meeting invite for the meeting on Monday with the services. Would be great if you could join in person. The session starts at 2:10, but security is difficult, so you should try to get there at 1:45. The main interior building is at 18th and C. There are entrances on E and on C. Go to the 3rd floor, and the room is on the main hallway (3038).

Thanks for coming. I think it will be helpful if you are there in person.

Betsy
